A Reduction of ten per cent. will be

guage, constructed on the basis of Kangxi's
Imperial Dictionary, contains all Chinese
characters in practical use, and while alpha-
betically arranged according to the sounds of
the oldest dialect of China, the Can-
tone, it gives also the Mandarin pro-
nunciation of all characters explained in the
book, so that its usefulness is by no means
confined to the Cantonese Dialect, but the
work is a practically complete Thesaurus of
the whole Written Language of China, an-
cient and modern, as used all over the
Empire, whilst its introductory chapters
serve the purposes of a philological guide
to the student.A Supplement, arranged for being bound
and used by itself, and containing a List
of the Radicals, an Index, and a List of
Surnames, will be published and sold
separately.

The Overland China Mail.

SUBSCRIBERS to The Overland China Mail will be glad to learn that arrangements have been made for publishing that journal weekly in future instead of fortnightly as at present.

This change, which will be permanent, has been made simply to keep pace with the times. During the existing troubles in the Far East it is of especial importance that a weekly budget of China news should be prepared. Under the present arrangements political and commercial news, perhaps of the greatest interest, may be kept back for a fortnight. The change will not only be welcomed by subscribers at home, but also by those at the Coast Ports and in the interior, who find the Overland a more convenient form of newspaper for their perusal than the daily journals. Practically the Overland will be in future a weekly newspaper for the Far East, with special commercial news, and special tables of shipping and other information, complete for the week. The various reports and other news will be given fully as they appear in the China Mail.

As the subscription will remain the same as hitherto (\$5 per quarter), the change will be made without additional expense to subscribers. Single copies will be sold for thirty cents, a reduction of 20 cents on the present price.

The attention of advertisers is directed to a weekly newspaper, which is circulated among old China hands and others, both at home and in the Far East, who do not take the daily journals.

The Overland China Mail will be regularly posted as hitherto from the China Mail Office to subscribers, on their addresses being forwarded to us.

NOTICE TO SHIPPERS.

Colonial Newspapers received at the office regularly for the inspection of Advertisers and the Public.

Hongkong Rates of Postage.

In the following Statements and Tables the Rates are given in cents, and are for Letters per half ounce, for Books and Patterns, per two ounces.

Newspapers over four ounces in weight are charged as double, treble, &c., as the case may be, but such papers or packets of papers may be sent at Book Rate. Two Newspapers must not be folded together as one, nor must anything whatever be inserted except bona fide Supplements. Printed matter may, however, be enclosed, if the whole be paid at Book Rate. Prices Current may be paid either as Newspapers or Books.

Commercial Papers signify such papers as, though written by hand, do not bear the character of an actual or personal correspondence, such as invoices, drafts, correspondence, &c. The charge on them is the same as for books, but, whatever the weight of a packet containing any partially written paper, it will not be charged less than 5 cents.

The sender of any Registered Article may accompany it with a Return Receipt on paying an extra fee of 5 cents.

The limit of weight for Books and Commercial Papers to Foreign Post Offices is 4 lbs. Patterns for such offices are limited to 8 ounces, and must not exceed these dimensions: 8 inches by 4 inches by 2 inches.

Local Delivery.
1. All correspondence posted before 5 a.m. on any week day for addresses in Victoria will be delivered the same day, and generally within two hours, unless the delivery should be retarded by the Contract Mails.

2. Invitations, &c. can generally be delivered within Victoria at the private houses of the addressees rather than at places of business, if a wish to that effect be expressed by the sender, otherwise all correspondence is invariably delivered at the nearest place of business.

3. Benchholders who desire to send Circulars, Dividend Warrants, Invitations, Cards, &c. all of the same weight, to addresses in Hongkong, Bangkok, or the Ports of China, may deliver them to the Post Office unstamped, the postage being then charged to the sender's account. Each batch must consist of at least ten.

4. Benchholders may also send Patterns to the same place in the same way. Envelopes containing Patterns may be wholly closed, if the nature of the contents be first exhibited or stated to the Postmaster General, as he may consider necessary, and approved by him. Printed Circulars may be inserted in such Pattern Packets.

PARCELS.—The public is reminded that there is no such thing as Parcel Post in Hongkong, &c. Much trouble and disappointment are caused by persistent attempts to send small valuable trifles through the Post. Fans, Curios, Articles of Dress, Fancy Work, and similar presents are continually being refused, the senders having often spent more in postage than would have paid the freight by steamer. No refund can be made on such parcels of the value of Stamps obliterated before the nature of the contents was discovered.

Local and Indian Parcel Post.
1. Small Parcels may be sent by Post at Book Rate between Hongkong and any of the British Post Offices in China, as well as to Japan, Macao, Peking, the Straits Settlements, Ceylon and India. They must not exceed the following dimensions, 2 feet long, 1 foot broad, 1 foot deep, weigh more than 5 lbs., nor be smaller than 5 in. by 2 in. Such parcels may be wholly closed if they bear this special endorsement: PARCEL, CONTAINING NO LETTERS, but any parcel may be opened by direction of the Postmaster General. In the case of Parcels for India a declaration of contents and value is required, a printed form for which is supplied gratis. The Registration of Parcels for India and Ceylon is compulsory.

2. The following cannot be transmitted: Articles insufficiently packed or protected, or liable to be crushed (as tin boxes, &c.) Opium, Glass, Liquids, Explosive substances, Matches, Indigo, Dyestuffs, Ice, Meat, Fish, Game, Fruit, Vegetables, or anything in dangerous to the Mails, or likely to become offensive or injurious in transit.

3. Parcels are as a general rule forwarded by Private Ship, not by Contract Mail Packet. To India they are forwarded by the P. & O. and Indian Mail Packets only, to Ceylon by P. & O. only. No responsibility is accepted with regard to any parcel, unless Registered, and then only to the amount of \$10.

4. The public are cautioned not to confound these facilities with a Parcel Post to Europe, &c., which does not exist.

It is necessary that the following rules be strictly observed.

1. No Letter or Packet, whether to be Registered or unregistered, can be received for Postage if it contains gold or silver money, jewels, precious articles, or anything that, as a general rule, is liable to Customs duties.

2. This Regulation prohibits the sending of Patterns of dutiable articles, unless the quantity sent be so small as to make the sample of no value.

3. The limits of weight allowed are as follows:—
Books and Papers—To British Offices, 5 lbs.; to the Continent, &c., 4 lbs.
Patterns—To British Offices, 5 lbs., if without intrinsic value; to the Continent, &c., 8 oz.

Intimation for the Loss of Registered Article.
The Post Office is not legally responsible for the safe delivery of Registered correspondence, but it is prepared to make good the contents of such correspondence lost while passing through the Post, to the extent of \$10, in certain cases, provided:—

1. That the sender duly observed all the conditions of Registration required.

2. That the letter was securely enclosed in a reasonably strong envelope.

3. That application was made to the Postmaster General of Hongkong immediately the loss was discovered, and the envelope being invariably forwarded with such application unless it also is lost.

4. That the Postmaster General is satisfied that the loss occurred whilst the correspondence was in the custody of the British Postal administration in China, that it was not caused by any fault on the part of the sender, by destruction by fire, or shipwreck, nor by the dishonesty or negligence of any person not in the employment of the Hongkong Post Office.

5. No compensation can be paid for mere damage to fragile articles such as portraits, watches, handkerchiefs, handbags, &c., which reach their destination, although in a broken or deteriorated condition.
